Briefing
#2 in Rhodes

2 March 1978

MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Current Intelligence Briefing for
the House Minority Leader

25X1 1. Yesterday [] Office of Legislative
Counsel, and I met for an hour with Congressman Rhodes
for one of our periodic current intelligence update brief-
ings.

2. I briefed the Congressman on the situation in the
Horn of Africa; an unusual Soviet silo demolition; the possi-
ble modification of a Y-class submarine; the forthcoming
Chinese nuclear test at Lop Nor; and the construction of a
new Chinese missile test range in southwest China. We also
discussed a wide range of world-wide political topics of
interest to the Congressman including French elections; the
situation in Rhodesia; French military activity in Africa; the
forthcoming Turkish/Greek summit meeting; and the prospects
for more open opposition activity in South Korea.
